

A DREAM OF ANGKOR

Angkor Cycling Tips and Routes

Red letters in the Angkor Map

- A** On the dykes of the Wat Baray
- B** On top of the walls of Angkor Tom, 12 km in the shadow, 4 temples, 5 monumental gates.
- C** Avoid the narrow road from Wat Thmei
- D** View to the North Gate of Angkor Wat
- E** Bicycle path from the Checkpoint to Banteay Kdei, under construction.
- F** Cyclists may pass the wall of Ta Prohm by the North Gate and then visit the temple from the west.
- G** On the dykes of the East Baray
- H** Cyclists may pass the wall of Preah Khan by the South Gate, and then visit the temple from the east.
- I** Hidden temples north of Angkor Thom

There are bicycle paths to every temple. Ask the locals and enjoy your discoveries.

Please let me know your experiences. Critique is welcome.
